LEMUEL P. BRION

Aspiring Web Developer / Virtual Assistant
Panabo City, Davao del Norte, Philippines | 09456626038
brionlemuel@gmail.com | github.com/lemm-m | LinkedIn

PROFESSIONAL SUMMARY

Final-year Information Technology student with academic web, mobile, and UI/UX project experience. Hands-on experience in Workiz data entry; currently learning Housecall Pro and GoHighLevel. Seeking opportunities in web development or virtual assistance, particularly CRM support and data entry.

EXPERIENCE & PROJECT INVOLVEMENT

Data Entry & CRM Tools | Workiz, Housecall Pro, GoHighLevel

- Performed data entry using Workiz; currently use and continue learning Housecall Pro and GoHighLevel.

Academic Projects, Pitching & Capstone | Davao del Norte State College

- Collaborated on web and Android projects; pitched Sakyan at competitions and showcased it at a project booth.
- Presented Skillbridge during our capstone defense and created Figma prototypes individually and with a team.

SELECTED GROUP PROJECTS

- **Skillbridge:** OJT placement recommendations using NLP-assisted skills assessment.
- **Sakyan:** A car rental platform for vehicle discovery and booking.
- **Cafe Berde Kiosk:** Self-service ordering with simulated payments and digital receipts.
- **DoneIt / Financify:** Android apps for student productivity and personal finance.

SKILLS & TOOLS

Web & programming: HTML, CSS, JavaScript, Bootstrap, Python, Java; C# (learning).

Design & development tools: Figma, UI/UX design, Git, GitHub, VS Code; Visual Studio (learning).

VA & professional skills: Data entry, Workiz; Housecall Pro and GoHighLevel (learning), problem solving, teamwork, and flexibility.
